

Engineers Without Borders

AT UC DAVIS PRESENTS

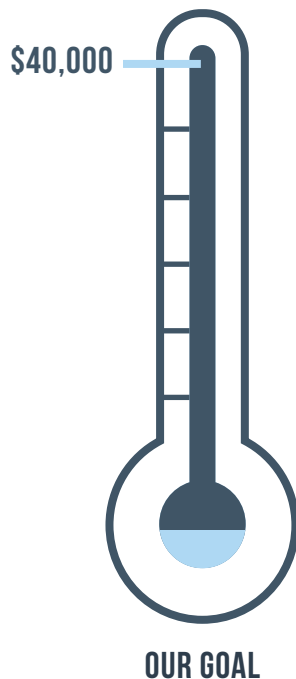

WINE INTO WATER

APRIL 7TH 2018
6PM - 8PM
ARC BALLROOM

EARLYBIRD PRICE: \$30 (ENDS MARCH 17TH 2018)
GENERAL PRICE: \$35
STUDENT PRICE: \$30

Support our organization while enjoying California's best wines by attending our Wine IntoWater Fundraiser! Our chapter will be serving local wines and refreshments, presenting live entertainment, and hosting a silent auction. Learn about our chapter and help us fund our community development projects.

Current Projects:

BOLIVIA

Assess the feasibility of latrines in the community to reduce community members' exposure to fecal borne diseases as well as reducing environmental contamination

INDONESIA

Increase the community's capacity for maintaining water supply and sanitation by expanding the scope of the current catchment and piping network

PERU

Implement additional reservoir to increase water supply to community members and replace the pipeline network
